LB 447

CLERK: Mr. President, Senator Vard Johnson would move to amend the bill. (Johnson amendment appears on pages 2326-2327 of the Legislative Journal.)

PRESIDENT: The Clerk has the amendment and the Chair recognizes Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the body, I am a little embarrassed. Senator Nichol's admonition to watch the show was pertained to me. I'm a little embarrassed because I don't have this amendment photocopied to print up. This is a little dinky technical amendment to one of the statutes that deals with executions and earlier this session we passed a bill, LB 107, and that bill requires a certain notice be provided by the court to people who are levying execution and since the passage of that bill I have received a letter from an Omaha lawyer and so has every member of the Judiciary Committee saying there was one small defect in that bill. And I said, we will correct it, and that is all this amendment does. It corrects it and it is a very technical change and I would appreciate adoption of the amendment. Even though you don't have it on your desk, you may actually have to trust me. It is on the Clerk's desk.

PRESIDENT: Senator Beutler. Could we have attention, please. (Gavel.) Senator Beutler.

SENATOR BEUTLER: Just to say, Mr. President, that the bill came through the Judiciary Committee and I apologize on behalf of the committee for not having caught the technical problem that Senator Johnson has identified but it does really need to be included. Thank you.

PRESIDENT: Is there further discussion? If not, the motion is to adopt the Vard Johnson amendment. All those in favor vote aye, opposed vote no. We are voting on the adoption of the Vard Johnson amendment to LB 447. The Clerk will record.

CLERK: 30 ayes, 0 nays, Mr. President, on adoption of Senator Johnson's amendment.

PRESIDENT: The amendment is adopted. Anything further on the bill, Mr. Clerk?

CLERK: Mr. President, Senator Chambers would move to amend the bill. (Read Chambers' amendment as found on page 2327 of the Legislative Journal.)

PRESIDENT: The Chair recognizes Senator Chambers.
